

Tool Boxes

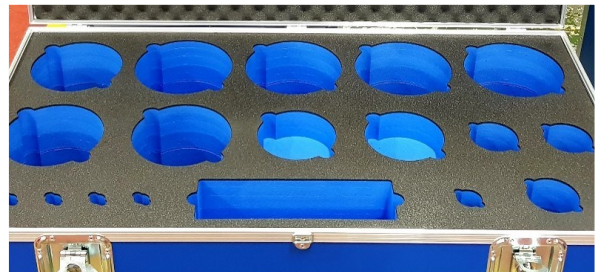

Many customer issues are caused by incorrect storage or loss of critical parts, here's a solution. Pilgrim's new tool boxes are designed by our engineering team with custom-engineered foam inserts to snugly accommodate your tools. So why not upgrade now?

Box

- Flight case style, light, robust with aluminium strengtheners
- Lockable latch
- Forklift truck runners for easy transport
- Personalised labelling for easy identification or branding.

Insert

- CNC Machined pockets for snug tool fit
- Engineered foam insert for long lasting support
- Tailored layout design created by Pilgrim's Engineering team.
- Blue pocket colour to easily highlight missing tools.
- Finger slots for easy extraction of tools
